

### **Praises and Prayer Requests for March 29, 2016**

Dear co-laborers with us for Christ in Kenya,

- We have truly seen the guidance of the Holy Spirit concerning all the details for Shalom Learning Center and the land purchase. The title to our land is clear! Please be in prayer for the survey being done today and that the sale will be finalized April 1st. The next step will be fencing the property, getting the architectural plans, and finding a construction superintendent with integrity.
- Please continue to pray that the Kenyan government would approve our application for tax exempt status.
- The planning and meetings for the GOP clothing manufacturing facility have been very promising. We have had interest from two schools that will refer parents to us who need student uniforms. We have four graduates ready to step in to start sewing, and we will open a shop in Kangundo. All forms of tailoring will be offered, even men's suits.
- It was an amazing testimony to Joseph's family how much his wife, Jackqueline was loved throughout the community. Hundreds and hundreds of people attended the service for her. Please continue to pray for comfort and provision for Joseph and his two children. We are thanking God because Joseph's daughter, Lois, who had an infection and was having trouble breathing, is doing much better.
- Congratulations to Kennedy and his wife for the birth of a healthy baby boy. And all things whatsoever you shall ask in prayer, believing, you shall receive. Matthew 21:22

**Blessings!**

***The Garments of Praise Team***

---

Challenged by Isaiah 61:1-3 (NKJV) it became our desire to provide HOPE by bringing Help to the helpless, giving the Oil of joy to those who mourn, Preaching the gospel to the poor, and Exchanging the garment of praise for the spirit of heaviness, with the ultimate goal that God may be glorified.
