

Dear Garments of Praise followers and prayer warriors;

Shalom Learning Center building project update: GOP staff met with land owners and they agreed to accept \$27,000 US Dollars to purchase land. They need to produce one more document then GOP will submit an official letter of offer and give money for the down payment. GOP staff was so thankful for free advice given by an attorney in Nairobi. After the architect comes with blue prints, then three contractors we be allowed to bid. Please spend some time in prayer with us as we are seeking God's will and plan for the right one.

Continue to lift Ilowee in prayer:

Ilowee writes "God is so very gracious as I was feeling so physically weak and inadequate this morning and cried out for God to give me a verse to show me the way. He directed me to Philippians 2:13 in NLT "For God IS working in you, giving you the desires and the power to do what pleases Him." My faith is being strengthened daily and I know God will guard and guide. I am learning what Paul learned as he said when I am weak then am I strong, I am content that God will accomplish all He desires."
