

Dear Garments of Praise followers and prayer warriors;

Please join us in praising God for Illoree's safe trip to Kenya. In addition we would like to share some things that she has asked all of us to lift up to our Heavenly Father.

1) As many of you know Joseph's wife, Jackqueline went to be with the Lord last Tuesday night. Pray for comfort, peace, and provision for Joseph and for their children Lois (7) and Eric (9). This loss has hit all of the GOP Staff and community very hard. The funeral is Thursday. Pray that God would be glorified in all of it, and that God would touch the hearts of the many unsaved who will be in attendance as the message of the gospel is shared. In addition Joseph's daughter Lois has an infection and is having trouble breathing.

2) We are in need of the guidance of the Holy Spirit concerning all the details that are involved in the purchase of the future site for Shalom Learning Center. It is our aspiration that all of the legal issues would be handled properly, and that God would guide us to the right contractor to build the school. There is a trip planned to Machaco tomorrow to address some of these items.

3) This particular trip involves many details that need to be addressed while Illoree is in Kenya. Prayer is needed so that the Kenyan government would find favor with our application for tax exempt status. Direction and God's wisdom is desired as the Kenyan GOP staff meets this week to explore opening the manufacturing facility. This facility will allow the tailoring students an opportunity to be employed when they graduate.

4) Finally pray for strength for Illoree, and that she God would provide her with restful and sufficient sleep! Our dear friend Wagae has pneumonia and we are asking our Dear and Glorious Physician for complete restoration to health.

Therefore, confess your sins to one another, and pray for one another so that you may be healed. The effective prayer of a righteous man can accomplish much. James 5:16
