

June 6, 2016

Dear Partners of the work in Kenya,

Praises:

- * We now have 8 first year students enrolled in the tailoring school.
- * Although thieves broke into the kiosk at the well site no equipment was damaged.

- Funds were provided to Shalom that allowed most of the children to be vaccinated for measles. Medicine was provided for a family of 7 with very severe cases of scabies (the mother wrote a very grateful thank you) and also medicines for other needed medical problems. We praise God we were also able to provide food for another month for these precious school children.

*We are rejoicing in a prospective team of 11 men and women who will participate in our September mission trip to come alongside the pastors and leaders with teaching and resources.

*We have 100% funds for 1st story of the new building we will build for the Shalom school and we have received 10% of the funds needed to build the 2nd story.

Prayer Requests:

*Wisdom for Joseph our Director of Operations as he handles the many daily challenges of the ministry in our absence.

*Prayer for the Ethiopian Church in Eastleigh and Pastor Samuel for God's Grace for boldness and protection as the special holy days of Ramadan are celebrated within his community.

*Prayer for the four new converts who gave their lives to Jesus in April.

*Guidance for the ones working with our Bridge of Hope addiction center and those working with the young men on the Victory Football team.

*Prayer that God will provide the funds needed for all of the team to go in September.
